

Vogmask 口罩模拟器 Vogmask Mask Simulator

比例：1:1

使用本口罩模拟器，以确保选择最佳产品

步骤：

1. 从本页剪下本口罩模拟器
2. 沿中心线折叠，贴边打印
3. 使用透明胶带将鼻子边缘和下巴边缘粘合在一起，则该口罩模拟器即准备完毕。如果面孔较小，可以沿着所示点线整理 / 裁切。
4. 儿童应在成人的监督下使用剪刀裁切口罩。请勿长时间在儿童脸上放置该模拟器，避免影响呼吸。

Scale : 1:1

Use this fit test simulator to ensure a perfect fit for your Vogmask

Steps:

1. Cut the mask simulator out from this sheet
2. Fold along the center line, printing facing out
3. Join both sides of the nose edges and chin edges together with Scotch tape. The vogmask mask simulator is ready! To fit smaller faces trim the mask by following the dotted lines
4. Please ensure children cutting out the masks use scissors under the supervision of an adult. Do not hold the mask simulator over a child's face for more than a few seconds to avoid restricting their breathing
